

ELECTION INTEGRITY TO BE THE TOPIC AT REPUBLICAN WOMEN LUNCHEON

Dr. Laura Pressley of True Texas Elections will be the guest speaker at the general luncheon meeting of the Republican Women of Kerr County on Friday, November 15, 2019 to be held in the North Ballroom of the Inn of the Hills, 1001 Junction Hwy. from 11:15 A.M. to 1:00 P.M.

Dr. Pressley is a native Texan and earned a Ph.D. in Chemistry from the University of Texas at Austin. She also holds four U.S. patents in semiconductor technology, and was an engineer and gross margin business manager in the semiconductor industry for 17 years.

In the political spectrum, Dr. Pressley was twice unanimously elected to serve as Travis County Republican Precinct Chair and twice elected to serve as a delegate from SD14 to the Texas State Convention.

In 2014 Dr. Pressley entered the race for Austin City Council, District 4 which she eventually lost to a very young opponent in a questionable run-off race. Citing numerous irregularities in the voting results and tabulations, Dr. Pressley filed an historic legal challenge in Travis County Travis County which eventually ended up in the halls of the Texas Supreme Court , the fascinating details of which she will discuss in her presentation.

As a result of her experiences, Dr. Pressley founded True Texas Elections, LLC whose mission is to ensure transparency and accuracy in the election process. To date, Dr. Pressley has made more than 300 presentations across Texas on election integrity and how citizens can ensure their votes are being legally counted.

Dr. Pressley has appeared on the CBS Early Show, Roger Stone's Stone Cold Truth show, and has been a frequent host of the Republic Broadcasting Network, in addition to many other public broadcasts. She has also testified as a citizen's advocate to the Texas Senate and House concerning electronic security and technology issues.

Reservations are required, and are due by 1 pm Tuesday, November 12. The cost of the luncheon is \$16 per person, payable by check or cash only. To RSVP please contact Betty Keese at 830-257-8747 or by email at rwkcreervations@gmail.com.
